COMPLAINT FILING PROCEDURES DURING GENERAL ELECTIONS:

1. The FEPC Hearing Panel will accept complaints beginning on August 1, 2019 for the General Election. The Committee will review complaints by candidates as they come in. Complaints must be received within ten (10) days of an initial publication, distribution or occurrence of alleged unfair materials or ads. Complaints occurring in the final six days before the General Election must be filed by noon on Monday, November 4th, the day before Election Day. **No hearings will be held on or after Election Day.**
2. **Only General Election candidates who sign and submit The Pledge by Tuesday, September 10, 2019 may file complaints** during the General Election season. Complaints filed by a candidate's representative with the candidate's approval will be recognized. Candidates may file only one complaint per advertisement, handout, statement, mailing, news report or incident.
3. In order to register a complaint with the FEPC Hearing Panel, you must send the complaint form and all supporting materials to the Committee Chair, Jim Morris. **Be concise.** The Panel **strongly prefers** all documents be delivered to the Panel as a Portable Digital File (PDF) or as a JPEG image file sent to jmorris@morrisatty.com. Documents may also be delivered to the Panel by hand or mail in care of Chair Jim Morris, 120 Corporate Woods, Suite 240, Rochester, NY 14623 or by fax (585) 292-5793 (with a cover sheet addressed to the Chair). If you have questions, call Jim Morris at (585) 292-5750 ext. 2. A hearing will not be scheduled unless and until the complaint form has been completed and all relevant materials are in the Hearing Panel's possession.
4. On the same day that the complaint is filed with the Hearing Panel, **a hard copy of all the relevant materials MUST be sent by the serving candidate by certified mail or hand delivered to the candidate complained against** at the opposing candidate's address on file with the Monroe County Board of Elections. It is **strongly** recommended that the serving candidate deliver a duplicate copy of the complaint package to a staff member at the affiliated political party headquarters (e.g., Democrat, Republican, Conservative, Independence, Working Families, Green, Women's Equality, Reform) of the candidate complained against. While direct service to the candidate complained against is adequate, dual service will help ensure full compliance without controversy.
5. All decisions will be released by the Hearing Panel Chair to the candidates and the news media as soon as possible after the votes are taken. The Hearing Panel will not delay public release of its decision even if unable to make direct contact with the candidates. The decision will state whether allegations are valid or invalid. There is no "appeal" process. All decisions by the Hearing Panel are final.
6. *Neither the League of Women Voters nor The Interfaith Alliance of Rochester will be involved in the Fair Election Practices Campaign Hearing Panel's complaint review process.*

FEPC
Sean Delehanty
Ethical Violation #1

We allege that Sean Delehanty violated two tenets of the pledge:

1) Mr. Delehanty **did not participate in fair public debate**

3) Mr. Delehanty **used campaign material that took an image out of context to misrepresent the other candidate and his message**

“Sean’s campaign sent out a mailer tying me to Rachel Barnhart’s call for a metro school district. I have never once spoke out about, mentioned or discussed this idea ever. Because Rachel supported me at an event with a picture, they took that picture and completely misrepresented an idea/photo to paint me as tied to Rachel and her idea. There is no connection and to insinuate one is, to me, a direct violation of the pledge. I believe this is a bad faith effort to distort facts and create talking points that don’t exist.”

A shared photo and fundraiser do not denote lockstep agreement on policy proposals. In the absence of any positive evidence that Josh Foladare wants to implement the policy proposals Ms. Barnhart has put forward, writing, “...Foladare isn’t speaking out against it. A HIDDEN METRO SCHOOLS AGENDA IS TOO DANGEROUS A RISK FOR FAIRPORT,” is a misleading insinuation and an intentional misrepresentation.

SAVE FAIRPORT FROM METRO SCHOOLS

Josh Foladare's political mentor and fundraising partner is pushing an extreme metro school agenda and Foladare isn't speaking out against it. **A HIDDEN METRO SCHOOLS AGENDA IS 100 DANGEROUS A RISK FOR FAIRPORT.** Send a message loud and clear that you support Fairport's successful schools by voting against Josh Foladare and his mentor's Metro Schools agenda.

We need to have a serious conversation about providing opportunity to ALL children. Urban-Suburban is tokenism and elitism. Wonderful for the kids in it, but probably enforces systemic racism. We need a countywide school district. #ROC
