COMPLAINT FILING PROCEDURES:

1. The FEPC will accept complaints beginning on August 8, 2016. The Committee will review complaints by candidates as they come in. Complaints must be received within approximately ten days of their initial publication, distribution or occurrence. Complaints occurring in the final six days before the election must be filed by noon of the Friday before Election Day. **No hearings will be held on or after Election Day.**
2. Only candidates may file complaints. Complaints filed by a candidate's representative with the candidate's approval will be recognized. Candidates may file only one complaint per advertisement, handout, statement, mailing, news report or incident.
3. In order to register a complaint with the Fair Elections Practices Committee you must send the complaint form and all supporting materials to the committee chair, Jim Morris. The committee **strongly prefers** all documents be delivered to the committee as a Portable Digital File (PDF) or as a JPEG image file sent to jmorris@morrisatty.com. Documents may also be delivered to the committee by hand/mail in care of Jim Morris, 120 Corporate Words Suite 240, Rochester, NY 14623 or by fax (585) 292-5793 (with a cover sheet addressed to the committee chair). If you have questions, call Jim Morris at (585) 292-5750 ext 11. A hearing will not be scheduled unless and until the complaint form has been completed and all relevant materials are in the committee's possession.
4. On the same day that the complaint is filed with the FEPC, **a hard copy of all the relevant materials MUST be sent by the serving candidate by certified mail or hand delivered to the candidate complained against** at the candidate's address on file with the Monroe County Board of Elections. It is **strongly** recommended that the serving candidate deliver a duplicate copy of the complaint package to a staff member at the affiliated political party headquarters (e.g., Democrat, Republican, Conservative, Independence, Working Families, Green, Women's Equality, Reform) of the candidate complained against. While direct service to the candidate complained against is adequate, dual service will guarantee full compliance without controversy.
5. All decisions will be released by the Committee chair to the candidates and the news media as soon as possible after the votes are taken. The Committee will not delay public release of its decision even if unable to make direct contact with the candidates. There is no "appeal" process. All decisions by the committee are final.
6. *Neither the League of Women Voters nor The Interfaith Alliance of Rochester will be involved in the Fair Election Practices Committee's complaint review process.*
