The League of Women Voters of the Rochester Metropolitan Area will be hosting an open forum to discuss the results of a recent study conducted by the Center of Governmental Research regarding redistricting.

Organizers say the purpose is to clarify any misconceptions regarding the new district lines and educate registered voters as to which districts they now reside.

The forum will be held at the Brighton Town Hall on Elmwood Avenue on April 5th from 7 p.m. – 8:30 p.m.
